Dear Mr. Morse:

This letter and the following amendment constitute the NEA Fund for Children and Public Education s ( the Fund ) response to your letter dated October 28, 2009, indicating that the Fund s August Monthly Report failed to accurately disclose certain in-kind contributions to the Fund. The omission of certain in-kind contributions from Schedule B of the Fund s August Monthly report was due to a computer error. We have now corrected the report by disclosing on Schedule B all of the in-kind contributions itemized on Schedule A of the report. See amended August monthly report.

I hope the attached amendment will take care of this matter. If you have any questions concerning this filing, please contact me at 202-778-4021.

Sincerely,

Margaret E. McCormick  
Counsel for NEA Campaigns and Elections
